I love rally racing for as long as I can remember and I've always wanted the Subaru, but then I heard someone say that the difference between those and the one I might buy is a large price gap, and I also heard from someone else that they brake down alot.

HELP::: Yahoo force overrides Google in Omnibox - Google ...

The software I downloaded included the Looksafe software. Looksafe is a filtered internet search that helps you filter out bad content using a DNS server. I went on their website and was able to deactivate it by following their setup procedures in reverse. If anyone else has this problem, it's not a virus. You just have to reset your DNS settings.

How do I stop the page us.yhs4.search.yahoo.com from ...

When I search for a website, and then try to search a topic on this website, this page takes over my search instead of searching on the original website.
